Introductory Statement

Applicant submits this amendment in response to the official action of July 2, 2004 (Paper No. 20040629), which contained a final rejection. This amendment is submitted in order to limit the subject matter to claim 11, which has already been allowed, the remaining claims being canceled or amended to depend from allowed claim 11. No new matter is presented. No new issues are presented. Upon entry of this amendment the application is in condition for allowance. Attached are:

- a complete listing of the amended claims beginning on the following page, which are to replace the claims of record;
- appended Remarks (one page);
- a Petition for Extension (two months);
- a Notice of Appeal (submitted to ensure that the application remains pending until action is taken by the PTO);
- the required official fee for the Extension and Notice of Appeal; and,
- a Return Receipt Postcard

No new matter is presented. The number of claims is reduced and no further fee is required.
